## COMMUNITY UPDATE

On 09/12/21 officers from the Horncastle neighbourhood policing team executed a misuse of drugs act warrant at a property near Horncastle. A Cannabis grow was discovered at the location. The plants were seized for destruction, the equipment used to grow the plants has been destroyed and the person cultivating the plants has been prosecuted. Lincolnshire police will not tolerate drugs within our communities and any information received from the public or via crime stoppers will be reviewed, risk assessed and developed or acted upon where possible.

We continue with regular patrols - especially during the hours of darkness to combat anti-social behaviour in the local areas.

Lincs police have now purchased noise measuring equipment that will be used to measure the loudness of cars committing ASB with excessive exhaust noise. Officers are currently being trained and the equipment will be out on the streets very soon.

We wish you a Happy New Year from  
Lincolnshire police
